Spring is here

And the heat is on so get a little spring in your step and join this wonderful company where the sunny side is always up! Your involvement will be in both the financial and management accounting functions for Plumbing World and 2 subsidiaries. You'll be responsible for the monthly and yearly financial accounts, ensuring policies and procedures are adhered to, setting budgets, liaising with the branches and helping them solve any problems and any ad hoc company projects. Managing a team is also on the horizon. What will set you apart is your open, down to earth nature, strong interpersonal skills and the ability to share new ideas.

For a bright future call Rochelle on 09 968 8473 or email rochelle@jobswithsalt.co.nz
