Temporary Opportunities – West Auckland

We have just the thing for you! Temping provides the opportunity to do the things you enjoy at work, while giving you the flexibility to do the things you enjoy at home. It's not paint by numbers because you make the choices! Working with a blank canvas is just the start, soon you will have the complete picture.

We are looking for a number of temps with great accounts skills. Right now we have immediate start accounting assignments such as accounts payable, payroll, accounts receivable and data entry. We work with a rainbow of clients in the West and South Auckland locations and we need people now. For those of you that have never temped before we have plenty of advice to offer before you make the choice to sample the pot of gold at the end of the rainbow. Have we painted a picture you like the look of?
