Shape the future!

General Manager - East Tamaki

With 65 years in operation Caroma is synonymous with quality and innovation. Manufacturing a diverse range of products, marketed and sold through multiple channels, Caroma are seeking an experienced General Manager to further lead this business. This role encompasses all aspects of general management including sales, operations, financial management and leading a team. You will be actively involved in developing client relationships and working along side your team to achieve measurable outcomes. As a coach, you'll set clear direction whilst ensuring the team is accountable for their performance. You will need to be flexible to operate at both a strategic and tactical level and at all times drive profitable growth. Your ability to communicate the vision both internally and externally coupled with your talent to influence others is paramount in this role. Reporting to Australia, you'll be given both the support and autonomy to make decisions and shape the future. Critical to your success will be experience that demonstrates your capability to manage all aspects of a high performing business including trade negotiation, industry networking and an appreciation of business law. Ideally you will have experience within a manufacturing and distribution environment and you will be tertiary qualified. This role involves both National and Trans Tasman travel. Call Jacqui on 09 968 8470 or email CV to jacqui@jobswithsalt.co.nz
