

## Here is a Wheel Opportunity!

### Team Leaders Warehouse, South Auckland

Are you an incredibly passionate person who loves people, life and everything in between? You'll be working for one of New Zealand's largest company's based in South Auckland in their state of the art distribution centre. Believe us when we say there is no other operation this large or this sophisticated in the country! They are seeking Team Leaders to manage, motivate and excite large and diverse teams (of up to 30 +). You need to steer them through the good and the challenges! You must have really solid warehousing experience with excellent all round people management skills. You are ultimately responsible for your team meeting KPI's around productivity, efficiency and service. Day to day you'll monitor targets, manage performance particularly around punctuality, attendance and reliability. You will also manage some high performers who are looking to you to grow and develop. Is this the bike for you? There are two pm shifts, 3.30 pm to midnight, Tuesday to Saturday and Sunday to Thursday. As confident communicators... this is the ride to move your career forward.
